Hi Karen,

Send info to fax below, also it might take a few weeks to get the discovery packet, the Amherst Lab is still controlled by the AG's office, so we need permission to remove files.

Hi Jim:

Defense counsel in this matter has asked for discovery involving the above referenced lab number. I would like to send you a copy of his motion for your review and so you can inform me of what you are able to provide and what you are not able to provide. As you can imagine some of the requested material involves Ms. Farak even though you were the chemist in this case and not her. Please let me know what fax number you would like me to use to fax you the motion.

Thanks, Karen
